

WHERE WE ARE TODAY!

In the beginning of 2023, we said...

 Residential, our biggest market would be down as much as 50%.

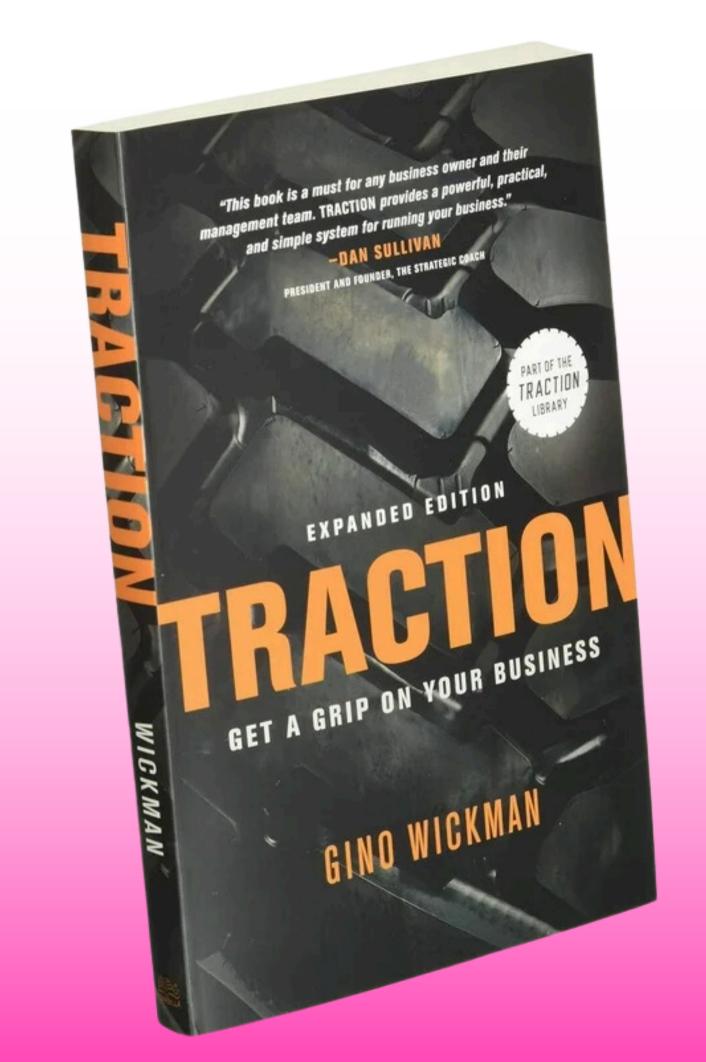

Gainey's planned on pivoting to other product lines and other markets.

2023 Highlights

- Grew 10% in revenue in 2023 despite residential being down
- Profit Improvement
- 30% of revenue in 2023 in New Region and New Product.

Cainey's CORE VALUES

INTEGRITY - Our word is our promise.

QUALITY - We strive to give you what you want.

PASSION - We LOVE what we do!

RELIABILITY - You can count on us... we gotcha!

INNOVATION - We love a challenge.
