NAICS Codes:

- NAICS 237110: Water and Sewer Line and Related Structures Construction
- NAICS 238120: Structural Steel and Precast Concrete Contractors
- NAICS 238910: Site Prep Contractors
- NAICS 562991: Septic Tank and Related Services
- NAICS 327390: Other Concrete Product Manufacturing
 - 069- Concrete Products Manufacturing
 - 702-Manholes, Junction Boxing, Catch Basins, and End Treatments
 - 727- Mobilization
 - 742- Sanitary Sewer Systems

Core Competencies:

- Precast Bridges
- Wastewater Treatment Design and Equipment
- Stormwater Drainage and Treatment Structures
- Industrial Precast
- Custom Engineered Civil Structures

Gainey's is a major precast concrete manufacturer servicing commercial, utility, and industrial contractors along the Gulf Coast for over 40 years. We love creating unique, thoughtful solutions to civil engineering challenges. Our guarantee is to stand behind our products. We want to be a partner you can rely on!

Past Performances:

- Amtek/Lemoine – Greenwood Park Baton Rouge Zoo
- Gilchrist – Loyola Interchange / LA DOTD Project # H.0011670
- Siema Construction – LA 93 US 90 – Benoit Patin Road / LA DOTD Project # H.013360
- Boone Services – Midway Drive / EBR City Parish Project # 20-CP-HC-0008
- Highmark / Cortana Amazon Drainage

Differentiators

- A value sell
- Consult on system's design
- No limitations to precast: coatings, mechanical equipment, etc.
- Bigger, more complex custom pieces
- Sell complete systems, not just precast
